Date : September 28, 2021

Dear Students

Olympiads are conducted to find **WIZARD in the subject concerned** and is not limited by any syllabus or curriculum prescribed for the age group. DAV is going to conduct ICT, Mathematics and Science Olympiads for the Academic Session (2021-22).

1. ICT Olympiad

Age Group – : Students from Classes V to VIII

The objective of conducting the ICT Olympiad is to motivate the students to strive for better and deeper understanding of the subject and enhance their **reasoning, analytical and problem solving skills**.

It will be an **On-line Multiple Choice Question Test**. The ICT Olympiad will not be based on the text book syllabus. However, in order to provide direction to students, the syllabus for the same will be forwarded subsequently.

2. General Science and Mathematics Olympiad for Class VIII

The objective of organizing Mathematics & Science Olympiad is to encourage the students to develop a competitive spirit, work hard to excel, sharpen their mental abilities and enhance their analytical reasoning ability. It increases the thinking capability, problem solving skills and confidence and helps in the overall development of a child.

It has been decided to conduct two Olympiads one each in the subject of General Science and Mathematics for Class VIII. It will be an Online Multiple choice Question Test.

Instruction

Students of Class VIII must complete the syllabus of Mathematics and Science by 05th Dec. 2021.
