Dear children, examination is the time to trust yourself completely. You know more than you think you do. Just take your challenges and dig deep within to conquer fears. Remember great vision, self-belief, hard-work, determination and dedication always earns success. So, with full faith in your abilities, go through your learning content well. Feel free to discuss your doubts with the subject teacher.

It is good mental & physical health that will assist you in the achievement of your goal. The following tips may help you.

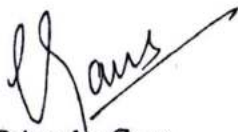

- Practise being organized to avoid stress.
- Make a time-table with the help of your elders.
- Avoid sitting continuously and take short breaks.
- Break time may be spent qualitatively with the family members.
- Eat healthy food and avoid eating junk food and overeating.
- Include more healthy liquids in your diet.
- Ensure having a sound sleep.
- Do engage yourself in yoga every day.

Dear children, certain little changes will definitely take you towards the desired direction. Try to do your best but remember that it is not final. Growth is an ongoing process and you have a long way to go.

**"The difference between the impossible and the possible lies in a person's determination."**

- Tommy Lasorda

Wishing you all the best!
