➤ Orientation Session:

On 17 August 2024, our school had the privilege of hosting an **Orientation Session on Mathematics, Science, and Technology** by **Dr. Ram Shiromani, Post Doctoral Fellow from the Department of Mathematics and Statistics at IIT Kanpur**. The session, aimed at students from classes VI to XI, was instrumental in broadening their intellectual horizons and igniting a passion for research and higher education.

➤ Workshop:

On August 17, 2024, our school successfully organized a **STEAM Robotics Workshop** for 32 students of classes VIII to XI in collaboration with **Vigyan Bharati (VIBHA) Bhramavart—Tinker India Lab**. VIBHA (Vijnana Bharati) is an organization that operates as a science movement with a Swadeshi (indigenous) spirit and aligns with the objectives laid down by the New Education Policy (NEP), 2020. It aims to promote the development of Swadeshi sciences by interlinking traditional and modern sciences, as well as natural and spiritual sciences. Students gained valuable insights into the intricacies of basic semiconductors and electronics. They also learned the art of circuit designing using a breadboard, enhancing their practical understanding of these essential concepts.

We sincerely commend our students for their unwavering dedication, creativity, and hard work. Our heartfelt appreciation extends to the parents for their steadfast support, and to the teachers and mentors whose guidance has been pivotal in this enriching journey.

Our school is equipped with cutting-edge Smart Classrooms and a fully operational Computer Lab, ensuring our students are well-prepared as tech-savvy, informed learners of the 21st century. The school upholds the spirit of experiential learning and art-integrated learning in the teaching-learning process, fostering creativity and critical thinking in our students. In addition, we offer regular Reasoning Classes, Music Classes, and Sports Classes in Archery, Taekwondo, Boxing, Kabaddi, Kho-Kho, Athletics, Cricket, Chess, and Table Tennis to nurture and develop their athletic skills.

We look forward to celebrating the ongoing achievements of our students in both academic and co-curricular spheres, and we commend them for their outstanding contributions to our academic community.

" Keep your face always toward the sunshine, and shadows will fall behind you."

Dear children, the examination is the time to trust yourself completely. You know more than you think you do. Just take on your challenges and dig deep within to conquer fears. Remember great vision, self-belief, hard work, determination, and dedication always earn success. So, with full faith in your abilities, go through your learning content well. Feel free to discuss your doubts with the subject teachers concerned.

It is good mental & physical health that will assist you in the achievement of your goal. So, avoid stress by being organized. Make a timetable with the help of your elders. Avoid sitting continuously and take short breaks. Break time may be spent qualitatively with the family members. Try to do your best but remember that it is not final. Growth is an ongoing process and you have a long way to go. Taking care of your eating habits and rest is equally important. Eat healthy food and avoid eating junk food and overeating. Include more healthy liquids in your diet. Ensure having a sound sleep. Do engage yourself in yoga every day. Certain little changes will take you in the desired direction.

" The exam is not the end; it's just the beginning of the next chapter in your learning."

Wish you all the Best!

Regards
