The exhibit of the Math's projects was graced by the presence of the Chief Guest, former CEO NUPPL

Mr CS Santhosh & former President Yamuna Ladies Club Ms Sindhu Santhosh where the students showcased innovative models and projects demonstrating real-life applications of mathematical concepts.

➤ **State-of-the-Art Laboratories:**

We are thrilled to announce the introduction of fully equipped **Physics, Chemistry, Biology, Composite Science** and **Mathematics** laboratories at our school. These state-of-the-art facilities are designed to provide students with hands-on learning experiences that inspire curiosity and foster a deeper understanding of each subject. Our **well-equipped computer lab** offers students hands-on experience with the latest technology, enhancing their digital skills and preparing them for the future in a tech-driven world.

➤ **Smart Classrooms:**

We are the proud owners of **smart classrooms** equipped with cutting-edge technology, providing an **interactive and dynamic learning experience to our learners**. This innovative approach ensures that students stay engaged, learn at their own pace, and reach their full potential.

➤ **Innovative Teaching Methods for Empowering Students:**

We focus on **personalized learning, interactive activities, and project-based approaches** to foster **academic and personal growth** by **integrating technology, collaborative learning, and hands-on experiences**, we ensure each child reaches their full potential.

➤ **All -Round Development through Multifarious Activities:**

Through an array of experiential learning, art integration, learning by doing, role-playing, group discussion, projects, games and through activities like Eco Rally, Shiksha Saptah, Van Mahotsav, SEWA Project, Vigilance Awareness Week, National Space Day, Swachhata Pakhwada, Desh aur Hum, DAV Run, Yoga Day, Vocational Skill Development Programmes, Sanskrit Diwas, Best from Waste, Nukkad Natak, Medical Camps, Celebration of National Days & Festivals, Class Shows, Important Weeks, Inter House Competitions, Intra-class Activities and through operating our Disaster Management Club, Health & Wellness Club Show, Heritage Club, Eco Club, Health & Wellness Club, English Literary Club, Hindi Literary Club, Grand Parents Day, Sanskrit Literary Club, Mathematics Club, Science Club, Ethical Club & Cyber Congress, we are a continuous rise to achieve academic development along with skill-building & personality enrichment and also, fostered critical thinking, innovation and social responsibilities among our learners.

We look forward to celebrating the ongoing achievements of our students in both academic and co-curricular spheres, and we commend them for their outstanding contributions to our academic community.

With the aim to achieve conducive learning environment securing the school campus with CCTV surveillance, installation of hot & cold Air Conditioners in all rooms, a well-developed playground and a spacious and dynamic stage for the student performance are some of our pipeline projects.

- **The Annual Examination result will be announced in the last week of March. Date and time will be intimated.**

Dear Students,

Examination is the time to trust yourself wholeheartedly. Believe in your abilities—you know more than you think. Face your challenges confidently, and tap into your inner strength to overcome any fears. Always remember that a clear vision, self-belief, hard work, determination, and dedication are the keys to success. Have faith in your capabilities, review your learning material thoroughly, and don't hesitate to reach out to your subject teachers for any clarification or doubts.

Good mental and physical health is crucial for achieving your goals. To avoid stress, stay organized by creating a timetable with the help of your elders. Take short, regular breaks instead of sitting continuously. Spend your break time meaningfully with your family. While giving your best effort is important, remember that no examination is the final destination. Growth is a continuous journey, and there's a lot more to accomplish ahead.

Taking care of your body is equally vital. Eat healthy nutritious meals, avoid junk food, and refrain from overeating. Stay hydrated by including more healthy liquids in your diet. Ensure you get sufficient sleep to refresh your mind. Incorporating yoga into your daily routine can also help improve focus and relaxation.

Small but meaningful changes in your lifestyle can guide you in the right direction. Keep pushing forward, and success will follow.

"Success is not achieved by chance; it is earned through dedication, perseverance, and the courage to rise after every fall."

Admissions Open in Classes LKG, UKG & I

- ❖ We are delighted to announce that admissions in classes **LKG, UKG & I** in the upcoming session **2025-26** are **open now**. The last date for admission is **12th February 2025**.
