➤ **Workshop:**

On August 17, 2024, our school successfully organized a STEM robotics workshop for students of classes VIII to XI in collaboration with Vigyan Bharati Bhravart—Tinker India Lab. Students gained valuable insights into the intricacies of basic semiconductors and electronics. They also learned the art of circuit designing using a breadboard, enhancing their practical understanding of these essential concepts.

We sincerely commend our students for their unwavering dedication, creativity, and hard work. Our heartfelt appreciation extends to the parents for their steadfast support, and to the teachers and mentors whose guidance has been pivotal in this enriching journey.

Our school is equipped with cutting-edge Smart Classrooms and a fully operational Computer Lab, ensuring our students are well-prepared as tech-savvy, informed learners of the 21st century. In addition, we offer regular sports classes in Archery, Taekwondo, Boxing, Kabaddi, Kho-Kho, Athletics, Cricket, Chess, and Table Tennis to nurture and develop their athletic skills.

We look forward to celebrating the ongoing achievements of our students in both academic and co-curricular spheres, and we commend them for their outstanding contributions to our academic community.

" Keep your face always toward the sunshine, and shadows will fall behind you."
